BENEFICIARY

Arians Family Foundation

MISSION:

The Arians Family Foundation motto is "A Voice For Children" by supporting and developing programs which strive to prevent and ameliorate the abuse and neglect of children. The Arians Family Foundation supports CASA (Court Appointed Special Advocates) and GAL (Guardian ad Litem) in making sure that children who are involved in the court system, as a result of abuse or neglect by their families, receive the love and help they need.

VISION:

The Arians Family Foundation (AFF) was created in 2013 by Bruce and Christine Arians for reasons dear to their hearts. Christine worked for years as a family-law attorney, or as she describes, a "broken-family" attorney. She began working with CASA (Court Appointed Special Advocates) to help ensure that children who are involved in the court system, as a result of abuse or neglect by their families, receive the help they need. The Arians Family Foundation seeks to continue helping others in their life journeys. AFF embodies the vision of a better future for children to live in where they feel safe and loved.
